## 2. JUDGING

The Chief Judge will be responsible for adequately appointing Judges and lap scorers to cover the event.

The control and observation at turn buoys shall be carried out by volunteers who will report to the Chief Judge.

Helpers will be briefed by the Chief Judge and report infringements of the rules that they have observed to the Chief Judge as soon as possible. They are not empowered to impose penalties themselves directly.

Boats which can take aboard at least one Helper (min., age 16 years) chosen by the Chief Judge.

Only race Officials and Official Helpers will be allowed on Course boats (min., age of 16years). All personnel are to be financial Club Members.

It shall be the responsibility of the Helpers and Judges to attend the compulsory Briefing of Drivers and observers and to assure themselves that all questions, regarding the Rules and general conduct of the event etc., are thoroughly explained to all contestants.

Starter shall be a responsible person with experience of water ski racing. They will be appointed and briefed by the Chief Judge in consultation with the Race Controller.

The Chief Judge has the authority to stop any race where conditions are judged unsafe to continue, or upon the recommendation of the Safety Officer.

The Chief Judge and/or the Race Controller have the responsibility to take necessary action against any competitor using unsafe equipment at any time.

## 3. GENERAL SAFETY

MPBC must provide an adequate rescue service at all times. Paramedic must be in attendance at all times during competitions.

MPBC must hold a pre-race briefing during which fullest possible details must be given concerning navigation, course, and safety of the competition, including the dropping off area at the conclusion of the race or issue a detailed briefing sheet.

Boat scrutineering is a two-part process. The competitor must complete the scrutineering form honestly and openly. An MPBC club member will do a visual inspection of the vessel. Any non-compliance may lead to exclusion from the event.

Should an incident occur, it is the responsibility of one of the Chief Judge to arrange for either the competitor and/or a crew member to complete an Incident Report Form and return it to the Club within **24 hours** following the Incident.

Should the injury to the competitor not be apparent during the event, but become known following the event, then it is the responsibility of the competitor and/or the crew to advise MPBC immediately they become aware of the incident. MPBC will arrange for an Incident Report Form to be forwarded to the crew member who will complete the form and return it to the Club within seven (7) days. A copy of the Incident Report Form is to be forwarded to either the Chief Judge or the event Organisers to be retained for their records.

Any participant hospitalised or sustaining any injury during the racing season, which in the opinion of the Chief Judge have an effect on the competitor or others safety, must, if requested, present a doctor's release, in writing, to that Chief Judge prior to continuing to race for that or the following season.

Where a medical certificate is required to allow a participant to compete following an injury or illness, the medical certificate is to clearly state that the participant is fit to resume racing at speed. Failure to produce a medical certificate clearly stating this will result in the participant not be allowed to compete.

All boat crew members must wear spectacles if eyesight requires spectacles under normal circumstances.

Any time a boat is under power or testing, outside the pit area on race day, all occupants will wear full race gear. When a boat is on the plane idling back upon completion of an event no race helmets need to be worn (gear) remove is required to be worn.

#### **4. COMPETITOR REQUIREMENTS AND SAFETY**

When competitors lodge a Membership and Entry, and agree to the terms and conditions within the membership and entry application, competitors are absolving the MPBC and Organising Committee of liability.

Boat drivers and observers must attend compulsory briefings or will not be allowed to start.

Boats and skiers must proceed around the course as indicated at the briefing and must pass on the correct side of all course marker buoys. Failure to comply with these regulations, or any of the Club Racing Rules, will result in disqualification.

In the event of a boat crew member being in difficulties and requiring immediate medical assistance, a team member (one only) shall stand on deck and wave a blue and white medical flag.

Skiers are strictly prohibited from fastening their tow line or the handle of the tow line to their body in any way whatsoever.

The skier must always have at least one hand on his tow line.

Minimum distance of 10 metres between competing boats after the start.

When taking a turn, the boats on the outside must leave room for teams on the inside.

An overtaking boat must not cut in until the skier is 100 metres ahead of the boat being overtaken.

Skiers must ski to the outside of each turn, course, or hazard buoy.

A fallen skier may be passed on whichever side is deemed to be the safest.

The skiers must remain in the wake of the towing boat for the entire race.

Boats or skiers who follow directly in the wash of a previous boat and skier closer than 100m will be disqualified.

Tow Lines must be fed from the boat at the start of an event.

Boats must not whip a skier out during mass type starts.

If a successful start is not made following three attempts to start, the competitor must withdraw from the event.

Boat drivers focus must be ahead at start of race and at all times during the race a glance back is acceptable

Observers focus to be on the skiers and boats in close proximity

Observers will remain in their seats at all times whilst pulling a skier after reaching a plane.

In the case of a fall of a skier/s, the driver must immediately slow the boat and the observer must raise the safety flag.

When picking up a fallen skier, you must slow down, yield right of way to oncoming boats, then turn either direction, whichever is safer and come back along their line. Ski line must be kept as parallel to the course as possible.

A fallen skier is allowed to make physical contact with the boat and crew to enable the replacement of equipment. At all times whilst such action is being carried out, the motor of the tow boat will be dead or in neutral, i.e., propeller not rotating. The safety flag must remain visible until the boat is under way and the skier/s is in proper skiing position.

A driver or observer shall acknowledge the safety flag or a downed skier by putting his hand up. Failure to do so may result in a penalty.

Competitors are required to fill out a Falls Report and, where applicable, a Falls and an Accident Report at all events.

Passing must be on the outside unless specifically stated otherwise at briefing.

A boat or team shall not force a passage between other team/s or a team and course or hazard buoy.

The finish of the ski race shall be determined by the skier.
